Helpful Hints

- Your love and passion for the literature will be your greatest asset. Remember, the most convincing reason to buy this rare literature must come from your own personal experience. What did the book mean to you? How did it impact the life of your family? What values did it teach?
- Introduce churches, friends, family, and neighbors to this unique literature to give you the greatest exposure. This is an outstanding opportunity to share God's truth in a non-offensive manner.
- Inform key Christians in positions of authority. Once they are aware of the spiritual value of this literature, they will want to pass it on.
